

There's a lot in store for you this summer!

READ TO FEED

Get Smart

Hungry for a good book? Your neighborhood Library is fully stocked with an amazing selection to suit every taste. You'll find all the big, name-brand favorites such as Curious George, Ramona the Pest and Harry Potter. Cruise the aisles further to discover and sample thousands of tempting titles that you might not have heard about or tried before. After all, variety is the spice of life.

Give from the Heart

Be a "Can-do Kid!" Program participants, 17 years and under, have the opportunity to give from the heart through a "Can-do Contribution" to Gleaners Food Bank.

Kids and Teens can help in two ways:

1. Donate a nonperishable food item at the Library and earn 20 Points. To receive Summer Reading Points, participants must drop off their nonperishable food item and present their Point Card to the librarian at the Summer Reading Desk. There is no limit on your food donations, but a limit of 20 points earned per participant.

And/Or

2. Donate 20 Points and our grocery partner, The Kroger Co. will make a contribution on your behalf. To donate Summer Reading Points, participants must present their Point Card to the librarian at the Summer Reading Desk. There is no limit on points you can donate.

Either way, Can-do Contributions will benefit families and students in our community who are most in need of food assistance.

REGISTRATION

1. Sign up at the Summer Reading Desk.
2. Everyone who registers for the Summer Reading Program must receive a POINT CARD at the Library Summer Reading Desk.
